

THE GATE TO PREMIUM EDUCATION

Memphis University is a prestigious higher education institution located in the heart of New Cairo, dedicated to delivering exceptional academic programs across three schools. Guided by a commitment to academic excellence and innovation, the university strives to balance best-in-class education with outstanding student experience.

School of Medicine

At Memphis University, we offer a modern medical program aligned with national and international standards, with early clinical exposure.

Students gain hands-on training through partnerships with Ain Shams University Hospitals and summer placements.

Our experienced faculty provide continuous academic support.

Graduates are prepared for clinical practice, research, and further development.
